PROFILE

Dedicated and detail-oriented BCA Computer Science student with a strong academic background and a passion for web development. Seeking a full-time position to apply the theoretical knowledge gained in the classroom to real-world web development projects.

EXPERIENCE / INTERNSHIP

Front End Developer
Worked as intern at PraLoTech Solutions LLP company in the area of front-end developer between 3 rd. June 2024 to 19th July 2024
During my internship, I had the opportunity to take on a leadership role where I was responsible for overseeing the development of a webpage layout. As the lead intern, I guided and supported a fellow internship student throughout the project, ensuring that we adhered to the design requirements and best practices in web development. I coordinated tasks, provided feedback, and facilitated collaboration to achieve a cohesive and functional layout. This experience not only strengthened my technical skills but also enhanced my ability to manage and mentor others in a team environment.
